Subject: Audit objection for expenditure incurred for works not covered by provision in the Budget in Malavally Municipality.

In forwarding herewith an extract of the audit note of Malavally Municipality for 38-39, I have the honour to state that the Assistant Comptroller, while auditing the accounts of Malavally Municipality for the year 38-39 has held under objection the expenditure incurred for digging a well in Malavally as no provision had been made in the budget of the year for the work.

The Municipal Council Malavally had provided Rs 200/- for formation of a road under 'D, Original Works'. But they did not utilize the amount for this purpose but utilised the same for digging a well in the Adikarnataka colony. For this deviation without sanction of competent authority, objection has been taken. The Assistant Comptroller has suggested that sanction of competent authority should be obtained for incurring the expenditure.

The President reports that as the well work was of an urgent nature, the amount provided for the formation of a road was utilised as no separate provision had been made in the Budget. He solicits sanction for incurring the expenditure.

I request you kindly to obtain sanction of Government for the expenditure incurred by the Malavally Municipal Council for the well work and instruct the Comptroller to admit the expenditure in audit.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
MANDYA DISTRICT.
